# FREIGHT SERVICES

## By Sea , Air , Land , Multimodal

**Whatever your cargo, wherever it's heading, SYNERGY VECTOR has got your freight forwarding needs covered with our comprehensive freight and logistics services by sea, by air and by land.**

### **Sea Freight**

Our contracts with many of the world's leading ocean carriers covering key trades to/from Asia, USA, Middle East, Europe and Africa enable us to offer the best deals for your cargoes. Shipments can be loaded into containers for shipment, either as FCL (Full Container Loads) or LCL (Less than Container Loads) for secure delivery. Our consolidation services offer an economical option for smaller loads.

### **Air Freight**

Synergy Vector air freight services delivers cargo to every location around the world served by an airport. Our global partnerships with major air carriers give you priority access to competitive rates and space allocations. The service can be door-to-door with the entire collection, customs clearance and delivery tracked by team. Consolidation and charter services are also available.

# FREIGHT SERVICES

## By Sea , Air , Land , Multimodal

Whatever your cargo, wherever it's heading, SYNERGY VECTOR has got your freight forwarding needs covered with our comprehensive freight and logistics services by sea, by air and by land.

### Sea/Air Freight ( Multimodal Transport )

Synergy Vector has the know how the concept of sea/air freight services, as an option which offers you the best of both worlds with significant cost advantage and timely regular delivery. It's a solution particularly well suited to the needs of fast moving industries dealing with low inventories such as electronics, fashion and footwear between Asia, Europe and the United States. saving you substantial cost versus "all air" and time versus an "all sea" transit time.

### Clearing & Delivery

Wherever you go, Synergy Vector can provide with the support of our partners who has the local know-how and global resources to guide your shipments through the customs clearance process and send them on their way to their final destination.

# FREIGHT SERVICES

## By Sea , Air , Land , Multimodal

**Whatever your cargo, wherever it's heading, SYNERGY VECTOR has got your freight forwarding needs covered with our comprehensive freight and logistics services by sea, by air and by land.**

### **Land Transportation ( UAE & GCC )**

Whether you need your freight shipped locally or within the Middle East, Accent Cargo can provide you with the best freight transportation services that meet your requirements promptly and cost-effectively. No matter the size and nature of cargo, we have the necessary resources to enable expeditious delivery of your freight to its final destination within the specified time. With our extensive fleet of vehicles driven by certified and experienced drivers combined with our local knowledge of the GCC helps us to provide you with effective transport solutions at rates you can afford and transit times that meet your shipment requirements. With a dedicated team, we are well equipped to provide you with cost effective logistics solutions to and from any country in the GCC.
